

I,
do hereby declare that I have
completed the *Courageous
Homeschooling* course.

I am ready to turn my dreams into
reality.

I am ready to give my family a
wonderful gift:

The **freedom to learn** in the way
which suits us best so that my
children can become the loving,
creative and fulfilled young people
they deserve to be.

I know that this is the best
decision I have ever made.
I trust the journey.
